

DEKO FG2 with iGlass Easy-Switch

AN ELEGANT GLAZED PARTITION WITH SUPERIOR ACOUSTIC AND PRIVACY PERFORMANCE

DEKO FG2 with iGlass Easy-Switch is a double-glazed partition which maximises the flow of light while providing acoustic and visual privacy. iGlass Easy-Switch is protected within the confines of the DGU and can be replaced or removed without damaging the integrity of the glazing or the sleek profiles. iGlass Easy-Switch takes a milli-second to change from opaque to transparent and can be applied at an affordable price with minimal fuss.
